## STATEMENT ON MODERN SLAVERY

At CTC, we are committed to upholding ethical standards throughout our manufacturing supply chain. We unequivocally condemn any form of modern slavery, and we do not tolerate its presence in any aspect of our operations or those of our suppliers.

We prioritize transparency, accountability, and responsible sourcing practices to ensure that all individuals involved in our supply chain are treated with dignity and respect. Through ongoing due diligence, collaboration with suppliers, and adherence to international labor standards, we strive to create a supply chain that is free from exploitation and upholds the rights and well-being of all workers.
